We are writing in response to your August 23, 2013 letter concerning the Committee's Amended 30 Day Post-General Report which was filed on July 10, 2013, which asks the Committee to provide more information as to why the additional \$186,237.12 in receipt activity disclosed on Line 11(a)(i) and 11 (a)(ii) was not disclosed on our original report.

The additional \$186,237.12 in receipt activity was not disclosed on the original report due to an error made during the receipt data import process. The import error caused some of our PAC receipts to be dated as 11/30/12 receipts by mistake and these records were included on our original FEC Year-End Report. The data error was discovered in July and we immediately corrected our receipt records and prepared an Amended 30 Day Post-General Report in order to properly disclose our PAC activity.

We hope this is an adequate response to your August 23, 2013 letter.
